AND RIVER PLATE NEWS. Per R.M.S. "DERWENT"

BUENOS AIRES—SUNDAY, DECEMBER 18, 1881

21ST YEAR.

(From our own Correspondent)

months, as is now already the case. The good Mendocinos seem to awake

be to a mere expert, and the questions now touched upon, if not discussed, are of much greater interest to the general public, namely, the prospects of the coming harvest, the extension of railways, the new roads, and the steady increase in production of sugar, sugar, lined, fish, wines, etc., over the Republic, and the latest of all, the reported working, on the Copper scale, of the famous mines in the Sierra Pamatina.

— — —
This great annual event which

With bare on his legs and the grass at his
heels,
No dodger behind, his bandanae to share
No constant grumbling "you cannot go
there."

With these pleasing reflections
in good marching order, headed
our worthy pastor and teachers,
length our lonely tents appear

his mineral district, if really carried out on the proposed scale by a company working with sufficient capital and aided by competent practical miners, will most undoubtedly, and that in spite of the very disadvantageous natural position of the deposits, produce splendid results.

struments of this description. The half-washings in the immediate neighborhood of the town of San Isidro, which are carried on in a very untidy and sloshy manner, are the cause of a very strong odor, so agreeable to the majority of the individual instances heavy rains in fine gold, though generally speaking this is only eventually caused by the parties thus occupied with the search for gold, the valuable landed possessors of the gold is disposed of, and all possible information hidden from the public, some parties in Buenos Aires and in Rosario might, if they were, give very useful explanations, but the search for the subject of this note, it is also worthy of mention, that at any step in advance in this direction will at the same time serve call attention to the misused results of this Province and neigh-

small enclosures, are very tame and consequently suffer comparatively little on the journey, feeding well at the different stations; thus they reach their destination in good condition, affording a class of first-rate and wholesome beef for consumption in the principal cities of

scarcity of hands for the approaching harvest makes them feel somewhat apprehensive as to the result of same. One thing is however quite certain, namely, that what have been Arcadia's seasons during the year 1882.

ARCADIA'S STATUETTE

Great preparations are being made native circles, officially and unofficially, to surround the inauguration of Dr Don Adolfo Aguilar's statue with the greatest solemnity. It is post-mortem vindication of the late man's memory : he was only justly appreciated when he was dead and gone, and it is difficult to say if he were now alive he would be generally revered, but for his conciliatory policy. In this country party-spirit divides all mutual esteem among adversaries, and no man was ever so

THE CUSTOMS.
National Finance Office,
Dec. 5, 1881.
Whereas,
The Senate and House of Deputies

20 centavos per month per 100 kilograms.
